Friends of the Library Book Sale May 6th

Mark your calendars for the Friends of the Library book sale on May 6. We haven't held a sale for a while, so we will have a great selection of novels, paperbacks, and all those special interest books that you like to keep at home for easy reference.

There will be something new in the Community Room - plan to come by and see why we haven't had a book sale for a while. (Hint: the new addi-

tion will make your shopping, and our setting up, much easier!)

We're looking forward to seeing you Saturday at 9:30. The sale will go until 1:30, and then continue on Monday self-service from 12:30 until 4:30.

Remember: these books are a great bargain, and each purchase you make helps our librarians buy new materials for use at our UC library.

UC's Community Emergency Response Team (CERT) Grows

District 1 (UC, La Jolla, Carmel Valley) team members get together in front of the CERT trailer after the Disaster Drill.

After the devastating Cedar Fire that took 15 lives, destroyed more than 280,000 acres and 2,400 homes and caused \$819 million in damages in October of 2003, the City of San Diego's Fire-Rescue Department developed the CERT San Diego program to help meet the needs of local communities following disasters. Scripps Ranch and Tierrasanta were the first communities to form CERT teams. Now, there is at least one CERT team in every council district. The goal is to have a 50 member CERT team in every community.

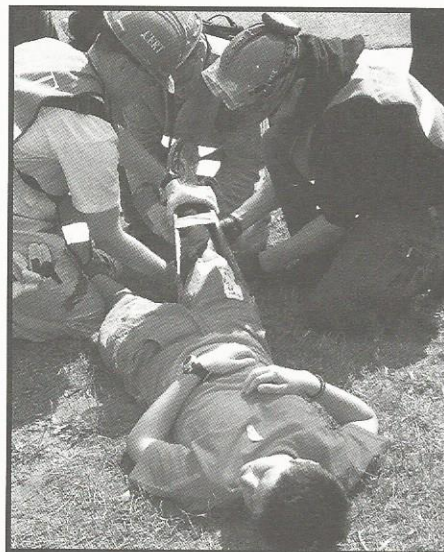

CERT Program Manager Barbara Ayers spoke at the April 2005 UCCA meeting. Last November, Ayers and representatives of the San Diego Fire Rescue Dept. spoke at a forum at UC High sponsored by Councilman Scott Peters and again pointed out the need for individuals, families and communities to prepare and be able to be self-sustaining for at least 3 days following a disaster. With Hurricane Katrina and the Cedar fire still fresh in mind, volunteers from all over the city began signing up for CERT training.

Who volunteers for CERT? Adults of all ages from all walks of life. On Saturday, March 18th, Karen Bassler, Mary Ann Guerra, Julie Kerr, Carole Pietras and Mary Weinbrecht were among 142 graduates, the largest class in CERT history. They joined previous graduates Greg Horn and Susan Hathaway on UC's team that is

combined with La Jolla, UTC and Carmel Valley.

Prior to graduation on Saturday, the students in the CERT academy participated in a Disaster Drill which simulated the aftermath of a 7.5 earthquake. Local residents, Pat Drobeck, Joel Rosenberg and Nicholas Guerra were among those who volunteered to serve as victims.

If you would like to join our team, a Fast Track CERT academy will be held at the Community Room at UTC in April. To be accepted for the Fast Track academy, volunteers must first complete the online FEMA class. Visit www.CertSanDiego.org, email cert@sandiego.gov or call (619) 533-3075 for more information.

CERT volunteers splint patient.

Did You Know?...

...The EIR (Environmental Impact Report) for the UC North South Corridor 7 alternatives (Regents Rd. Bridge, Widening of Genesee, both, neither, etc. is scheduled to be released in late April. There will be a public review period prior to the vote by the City Council...

...**Graffiti** needs to be dealt with in the community, or it encourages more tagging. You can help. If you find graffiti on your property, remove it quickly. If you see graffiti in the community, call the City's **Graffiti Hotline 619 525 8522** (calls are confidential.) or report it online at

<http://www.sandiego.gov/graffiti/signing.shtml>. Online complaints are taken through a secure server. When graffiti is reported on private property, City staff must inspect and legally notify the property owner or obtain their written consent prior to graffiti removal. This process can take several weeks...

...**CERT** classes are offered tuition free to city residents and have a minimal supply cost...

...Forty-one employees of Qualcomm just graduated from the first **BERT** (Business Emergency Response Team) academy. Several of those graduates also serve on CERT teams in their communities...

...The **City of San Diego's Environmental Services Dept.** will hold an **Auto Product Recycling Event** April 29th from 9:00 a.m. - 1:00 p.m. City of San Diego residents are encouraged to bring their used or left-over auto products for disposal and recycling at the Metropolitan Wastewater Operations Center located in Kearny Mesa at 5571 Topaz Way at the corner of Kearny Villa Road and Topaz Way. Only used motor oil, oil filters, contaminated oil, antifreeze and auto batteries are accepted. There is a 10 gallon limit. For more information, go to www.sandiego.gov/environmental-services/recycling/autoproducts.shtml....The **vote on the airport** is scheduled for November 2006. To keep informed, check the **San Diego Regional Airport Authority website:** www.san.org/authority/assp/resources.asp ...

President's Perspective...

I have always been a great fan of Disneyland and the constant and continual effort they make to keep the park neat and clean for all patrons. I am also a great fan of all the folks in University City who make a special effort to keep our community a neat and clean place to live. Katherine Obar is out and about at a very early hour each morning trolling our community and disposing of litter and trash she finds along the way during her morning stroll. Kathleen Talley has taken on the special personal project of cleaning up the trash she discovers along Gullstrand Ave. There is no sign proclaiming her to be the one responsible for a clean avenue, but it is her special gift to her neighbors.

The number of folks volunteering to be Weed Whackers continues to grow. Their generous commitment of time and talent early on Saturday mornings is a tribute to their hardiness and willingness to keep our community a beautiful place to live.

On Saturday, May 13th, the clean up process will continue. This will be the official U.C. Clean up day.

Volunteers of all ages and abilities are needed to make this a successful day for all of us. Please mark your calendar for this big event! Details can be obtained by contacting Association co-chairs Andy Freeburn at andyfreeburn@century21award.com or Richard Betzenderfer at betzenderfer@san.rr.com. Let's continue to work together to make our neighborhood a very clean and special place to live and work.

We have started listing the members of the Association in our newsletter so that all of the community can be aware of the thoughtfulness and generosity of their neighbors. Many small gifts can create large opportunities for the Association to continue to create programs and activities for the betterment of our entire community. Please use the form in this newsletter to join with us in creating a clean, beautiful and safe University City!

Calling all UCHS Grads UCHS is turning 25!

It's time for the University City High School 25th Birthday Party, and the Centurion Alumni Foundation of UCHS is in the planning stages for several events to celebrate! The foundation board will have tables set up at the EdUCate! Friendraiser, April 22, at the UCHS Graduation ceremony, and at the UC Celebration on July 4.

The foundation is calling upon all alumni and their parents to contact them with email (and standard addresses if email is unavailable) for anyone who would be interested in attending, helping with, donating to, or just hearing about the events and projects, including an All-class reunion event.

Projects to benefit UCHS that the CAF board is considering include: scholarships; a wall of fame honoring alumni who have had an impact in

sports, science/medicine, business, politics, etc; assisting with field improvements; and more.

All donations to the Centurion Alumni Foundation are tax-deductible (it is a 501c3 nonprofit). Checks should be made out to CAF of UCHS, and mailed to Centurion Alumni Foundation, c/o UCHS, 3969 Genesee Ave, S.D. 92122). More information can be obtained by contacting uchsalumni@yahoo.com. This email will get you directly in touch with the foundation board including CEO Sherelle Moore (Class of 2000), Secretary Sheree Wesley-Andersen (Class of 2000), Treasurer Elaine Hanson (parent 2004, 2005, 2006), Rick Mitchell, Mary Kay Hewitt, Norma Smith and other alumni, staff, and parents.

Concerts in the Park a Summer Tradition

Sponsors needed

Planning for the summer concert series is underway. The concerts will be held at Standley Park every Sunday from 5:00 p.m. - 7:00 p.m, beginning July 9th and wrapping up August 26th. This year you can enjoy a wide blend of music from Jazz to Rock and Roll.

The Concert Committee is seeking sponsors to help bring back those remarkable bands as well as new ones. Sponsors will be publicized on the concert flyer and will be welcome to hang a banner at the concerts.

If you are interested in sponsoring, making a donation, or just referring a great band, contact Standley Park Center Director, Sarah Anderson at (858) 552-1651.

Thank you to all who volunteer to deliver this newsletter. If you would like to help, email caroleucca@sbcglobal.net. A volunteer is needed on Syracuse (between Radcliffe and Stadium), and subs are needed throughout the community.
