Residents Clean Up Around the Community

UCCA's 4th annual community clean up was a big success. The bins donated by Debis Box filled quickly as residents took advantage of the opportunity to dispose of unwanted items from barbeques to basketball backboards to fences. Medians and sidewalks along Governor Dr., Regents Rd. and Genesee got a facelift as volunteers cleared tall weeds, trimmed overgrown ice plant and picked up trash.

A huge thank you to all who spent hours sprucing up the community.

Team Peters from Councilman Scott Peters office, Madeleine Lee, Rich and Angela Giesler, Cliff and his wife, tackled the weeds along Governor Dr. west of 805 and cleared trash near the 805 ramp. Joining in the effort there was the Worsham family, Milo, his wife, Susan, and daughter Amber. Realizing what a huge task this was, Milo Worsham rented a weed whacker and cleared a large part of the area along Governor Dr. east of McElroy Field.

Get Ready for the Biggest Celebration Yet!

This year's Fourth of July celebration will include carnival games, pony rides, live entertainment, open swimming, a bike parade, 5-K run, and a pancake breakfast. Those who register for the 5-K run before June 24th will receive a ticket to the pancake breakfast. The Old Town Trolley will be available to shuttle residents along Governor Drive, and the Corvettes will cap off the fun-filled day with a concert in the park.

The Celebration committee has devoted many hours to making this a wonderful event for the community,

but there is still work to be done. Booth spaces are still available. Donations of gently used books are requested for the Book Barn. Volunteers are needed to run the game booths. The Celebration committee will donate money to local non-profit groups in return for volunteers to run the game booths. The UC Celebration Committee will meet June 7th and 21st at 7:00 p.m. at Standley Park. For information or to volunteer, contact Andy Freeburn at 858-336-4437 or email him at AndyFreeburn@century21award.com.

Neighborhood News...

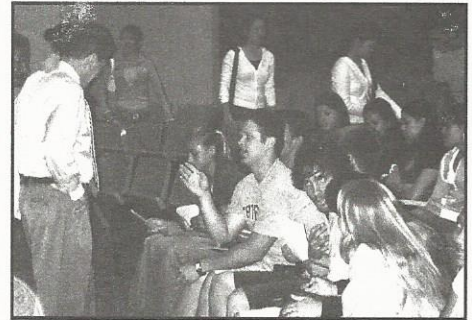

Attention Senior citizens: If interested in playing **Pinochle** at Standley Park on Fridays from 9:30 -noon or 2:30, contact **Ben** at 453-2340 or email him benwroble.1@juno.com. Bridge is also played at that time... Of the many volunteers who help deliver our UCCA Newsletter every month, some are local students. Special thanks to **Taylor Giffen**, who delivered on Bothe for three years and is now graduating and off to Yale; also to **Jon** and **Kevin Anderson**, and **Trevor Haag** who regularly delivered the newsletter for over two years; and **Gary Altamirano** who began volunteering two years ago, and continues to deliver in his neighborhood. We appreciate your service to the community!... UC residents are in news! **Tom Burke** was recently inducted into the University of San Diego's Athletic Hall of Fame. Among his many contributions to the university in his 30 year career there —28 as Vice President of Student Affairs, Tom guided the Toreros into the NCAA Division 1 collegiate ranks and 1979 membership in the West Coast Conference... **Valerie Edinger** was recently promoted to Vice President of Continuing Education for the Community College District...UCHS seniors **David Roost** and **Steven Kenyon** were awarded "The Most Inspirational Students of The Month" by NBC 7/39 News for the month of March 2005. As commissioners of Athletics for the UCHS Associated Student Body, they created a student section at the basketball games, also designed, marketed, sold and distributed light blue "Bring 'Em Out" Centurion Basketball t-shirts, which were worn by fans, faculty and players alike. All the profits from this student-run business will be combined with a UCHS Faith Club fundraiser, then matched by the ASB and donated to aid tsunami relief. Congratulations to **David** and **Steven** on receiving this award for their leadership and humanitarian efforts...At the recent CIF meet, UNLV bound UC High senior, **Amanda Weinbrecht** won the Div. II title in the Backstroke with her All America time, and **Gary Altamirano** won the Div. II Individual Medley. Congrats to both!...

Students Warned About the Dangers of Credit Card Debt

Judge John Hargrove brings C.A.R.E. program to UC High

Seniors at U.C. High recently got a valuable lesson in the use and abuse of credit cards. Bankruptcy Judge John J. Hargrove, a U.C. resident and Chief Judge of the San Diego based U.S. Bankruptcy Court for the Southern District of California is all too familiar with people struggling to dig out from credit card debt. He feels at least part of the solution is education at an earlier age for young consumers and has brought to San Diego the Credit Abuse Resistance Education program. C.A.R.E. was begun last year by Chief Bankruptcy Judge John Ninfo II of the U.S. Bankruptcy Court for the Western District of New York.

On Wednesday, May 18th, Judge Hargrove and bankruptcy attorneys, Jeffrey Cawdrey, Dean T. Kirby, Jr. and Mark Miller who are also U.C. residents volunteered their time and presented the program to UCHS seniors in assemblies throughout the day, the largest presentation to date. Students were advised to have a budget and live within it; have one credit card and to pay off their balances each month. Some were surprised to learn how quickly debt mounts when charging purchases and carrying balances at 20 percent interest and the consequences of that debt when they want to purchase a car or get a job. Students took a quiz and

received a C.A.R.E. kit after the presentation.

Judge Hargrove and various volunteer attorneys have made the presentation to several schools, and he has partnered with San Diego City Schools to bring C.A.R.E. to every high school next year.

Clean Up (Cont. from pg. 1)

Another group of volunteers, John Schindel, Den Hemingway along with the Sawyers, Mark, Linda and, Katherine and the DeLeon family, Emilio, Julio, Josefa, Fides, Noel and Kristen, took on a big job on Genesee. Jemma Semala, Cathie Lester, Michele Lolly and Kids Korps cleared areas near Spreckels while Kay Brown and Sandy Lippe tackled the areas on Governor Dr. opposite the post office. Mary Kay Hewitt, Suzanne and John Ohlfest and Glenn Martin cleared weeds and iceplant along Regents Rd.

south of Governor. Mike Beck, Bryan Swift and Frank Salerno drove around picking up filled trash bags and brought them back to the bins outside Swanson Pool.

Thanks to everyone who participated for devoting your time and effort to make a difference in UC, and big thank you to Andy Freeburn for once again organizing the event and coordinating the drop offs at the bins. Thanks also to Debris Box for donating two bins and to Councilman Peters for providing passes for the "dump fee."

President's Perspective

When I was a youngster, the highlight of my summer holidays was our local 4th of July Celebration. We prepared our lunch the night before the event, so we were up at dawn and out the door to make sure we got a place under one of the trees in the park. It never rained on our celebration. All day long we would swim, participate in games and had a little money for games of chance. One year my brother and I won the two legged race for our division and received two tickets each to the local theatre. That was a very special day, since the next Sunday we took Mom and Dad to the local show for free!

I would imagine that most folks have fond memories of the 4th of July. And once again this year, due to the efforts and energy of local volunteers, the University City Community Association and the Recreation Council have worked together to bring another celebration to our community. Due to the very generous contributions of local businesses and local citizens, we are able to expand and increase the daylong activities in the Park for young and old alike. The day will begin with the start of a fun run, a bicycle parade, the raising of the colors and our pancake breakfast from 8:00 - 11:00 A.M. Tickets are \$5

apiece and that includes all the pancakes and sausages you can pack away! The pancake committee has worked on logistics this year and have every hope that lines will be shorter and customers taken care of in very short order.

Then throughout the day there will be pony rides, rock climbing, games of chance and games for folks of all ages to exhibit their skills and abilities. For those interested in taking a dunk, the pool will be open until late in the afternoon. The day will close with a spirited concert by the Corvettes with their upbeat style and expression.

The committee can still use some volunteers to help serve the breakfast and to assist with other events of the day. Please contact Andy Freeburn: 858-552-0635 or andyfreeburn@century21award.com if you would like to pitch in to make this a wonderful celebration for all in the community.

We also hope that you will take the time to join the Community Association so that we can continue to have such special events right here in University City. Please fill in the membership form in this Newsletter and send it in as soon as possible. HAPPY BIRTHDAY AMERICA!

City's Budget Woes Affect Park, Pool and Library

UC residents will feel the effects of budget cuts on Standley Rec Center, Swanson Pool and the UC Library. Proposals call for reduction in operating hours and staff and an increase in fees.

The proposed FY 2006 budget may be viewed online at the City's website, www.sandiego.gov. There is also a link to a public comment form on the budget page and a link to the complete schedule of budget review dates.

The City Manager released his proposal for the establishment of new and adjusted fees for FY 2006. The report has been linked via the Park and Recreation Department's Budget Web Page at

<http://www.sandiego.gov/park-and-recreation/general-info/budget.shtml>

The City Council is scheduled to hear the report on Tuesday, June 7, 2005 at 10am at City Hall (202 C Street, 12th floor). Budget discussion and final approval by the City Council is scheduled for Monday, June 20th from 2:00 – 5:00 p.m. Monday, June 27th has also been set aside, if needed.

What's Happening with Construction at Standley Middle School?

The relocatable classrooms and building trailers that so dismayed local residents when they appeared on the open, green expanse on the corner of Governor and Radcliffe Drive, will disappear this summer and that delightful grassy area will be restored in fall, 2005.!

Prop MM improvements begun in Spring 2004 at Standley Middle School are nearing completion.. Building 500 and four science classrooms are being remodeled, three new science classrooms are being created, a shaded lunch court is being constructed in the existing courtyard, flooring is being replaced and terrazzo refinished. To accommodate this work, classes from the science area and Building 500

needed alternative accommodation – hence the 13 relocatable classrooms.

Further improvements affecting the joint-use field areas seek to improve access and community enjoyment of the fields. On the front fields abutting Governor Drive, the school district is installing a stairway to the school parking lot, making fence and irrigation improvements, and grassing an area where spectators can sit to watch games. On the back (south) field, the sloped area is being cleared of brush, and replanted. There will also be some sidewalk repairs, and a new cement slab will be laid for the concession area. It is expected that these projects will be completed within the next two months.
