## Robomasters are So-Cal Champs

Will Compete for national championship in April

Four University City middle and elementary schoolers, who together comprise the Robomasters, recently won the Southern California state championship in the FIRST Lego League, a competitive robotics league.

The Robomasters are Mia Sheperd and Katie Brooks (sixth-graders at High Tech Middle School), and Kevin Murray and Andy Brooks (fourth graders at Curie Elementary).

The FIRST Lego League includes over 7,000 teams from around the world that design, build, and compete Lego Mindstorm robots. The Robomasters defeated 47 other teams from as far north as Bakersfield to win the Southern California championship. By winning, they have qualified to attend the world championships in Atlanta in April, where they will compete against more than 70 teams from each state and many foreign countries.

The theme of the competition this year was protecting the oceans. In addition to building robots, the com-

petition also challenged the participants to devise a practical solution to a problem facing the world's oceans. The Robomasters chose the problem of human damage to tide pools, and proposed the installation of educational signs to teach visitors that handling the tide pool animals can harm the fragile tide pool ecosystem.

## Learn More about the Candidates at March 15<sup>th</sup> Forum

As a service to the community, UCCA is hosting a candidate's forum Wednesday, March 15<sup>th</sup> at from 6:30 – 8:30 p.m. at Standley Middle School auditorium. UCCA President Hugh Pates has outlined the format in his President's Perspective on page 4. As this newsletter went to press, Brian Bilbray, Sen. Bill Morrow, Francine Busby, Paul King and Alan Uke had confirmed their participation. Come and bring a friend.

## 2006 Celebration Planning Continues

Planning continues for the 2006 Fourth of July Celebration. The committee needs solid volunteer commitments in order to maintain the level of success of the last two years. Please contact Deb Torres or Mike Kappler at 858-220-5679 or 858-597-0212 or e-mail at [TorresDeb1@AOL.com](mailto:TorresDeb1@AOL.com).

Any group interested in reserving a booth should contact Joe McLaughlin at [Joe@HomesofSanDiego.com](mailto:Joe@HomesofSanDiego.com) or 858-558-8987. Groups wishing to sell food must reserve before May 1, 2006.

The book barn will also appreciate your donation of books so please start sorting them out.

We are also looking for sponsors and donations. Anyone knowing of interested companies or groups should contact Andy Freeburn at [AndyFreeburn@Century21Award.com](mailto:AndyFreeburn@Century21Award.com) or 858-336-4437

## Join UC's CERT Team

**CERT San Diego** (Community Emergency Response Team) is a disaster preparedness program taught to citizens by San Diego Fire-Rescue personnel. Citizens learn how to make their homes and neighborhoods safer, build disaster preparedness kits, perform medical triage and treatment, how to build teams, use fire extinguishers and work with authorities during disasters. **CERT San Diego** is building CERT volunteer teams in communities throughout San Diego. University City has two graduates and five residents attending the 8<sup>th</sup> CERT academy. More volunteers are needed to build a team in UC.

## Friends of the Library Funds Summer Reading Program

Hey, little ones! If it slithers, hops, crawls or flies, you might be reading about it this summer during the Library's summer reading program! Friends of the Library has funded an exciting program about animals. See you at the library this summer!

Parents: this is one of the many uses for the funds we receive from sales of used books at our University Community Library. Your assistance in making this happen by buying books is very much appreciated. Why not visit the library this week to see what's new?

## Robomasters (cont. from page 1)

Right now, the Robomasters are working with the City of San Diego to install several of these signs near tide pools in La Jolla.

The Robomasters are following in the footsteps of several other University City students — Jeb Brooks, RJ Sheperd, Chris and Laura Decorte, and Justin Ripley — who won the Southern California competition two years ago and placed second at the world championships. They are busy

raising money for their big trip to the world championships and fine-tuning their robot for the Atlanta competition. The Robomasters learned a lot about engineering and the oceans from the competition. They are grateful to their science mentors — Dale Sweetnam of the Department of Fish & Game, and Shelly Glenn of Scripps Aquarium — as well as their coaches Marion Brooks, Cindy Murray, and John Brooks.

## KCB Aids UC's WeedWhackers

KCB (Keep California Beautiful) is a non-profit environmental education organization that helps communities like University City involve volunteers in cleanup, recycling, and beautification projects. On Saturday, March 18<sup>th</sup>, U.C. Weed Whackers will attack some unsightly areas in U.C., and KCB will provide litter bags, gloves, and information about changing behaviors in order to prevent litter in the first place. Check out the KCB website at [www.keepcaliforniabeautiful.com](http://www.keepcaliforniabeautiful.com) and call UCCA president Hugh Pates to tell him you will help for a couple of hours on Saturday, March 18<sup>th</sup> in the morning. His number is 453-0645.

## Second Annual Thalia Murray Scholarship to be Awarded to a UCHS Senior

Applications due May 1<sup>st</sup>

Bruce and Kevin Murray, the sons of the late Thalia Murray, are again this year offering a scholarship in her memory to an eligible University City High School senior via EdUCate!, the University City Foundation for Public Schools. EdUCate! sponsors numerous events to benefit public education in the UC community such as the Taste of the Triangle, the Friendraiser, and Honor-a-Teacher.

Mrs. Murray taught in the San Diego Unified School District for 20 years, including 17 years at Marcy Elementary (now Mission Bay Montessori) in UC. Upon graduation from high school, Thalia Murray received a scholarship which allowed her to attend a high-quality, four-year college and to make new friends. This experience dramatically influenced her

life. Her family's goal is for this scholarship to have a similar impact on a graduating UC High senior each year.

A committee comprised of key EdUCate! members and her sons will award the \$2,000 scholarship for 2006. Applications are due by Monday, May 1, 2006. Interested seniors should contact Nanci White, Counselor at UC High School, at 858-457-3040, ext. 222, for eligibility details, scholarship criteria, and applications. Applications can also be downloaded from the EdUCate! website at [www.uc-educate.org](http://www.uc-educate.org). The scholarship recipient will be announced at the UC High School Scholarship and Awards Ceremony at UC High on Thursday, June 8, 2006, at 7PM.

## Educate! Spring Friendraiser will Showcase UC's Public Schools

Mark your calendars for EdUCate!'s 2006 UC Schools Open House Friendraiser to be held on **Saturday, April 22 from 11 am - 3 pm at UC High School**. Come join the fun as EdUCate!, the University City Foundation for Public Schools, showcases our five UC public schools. New this year to the Friendraiser is EdUCate!'s Grants Award Ceremony in which EdUCate! will award our schools checks for grant requests written by deserving teachers and staff. Here's what you'll enjoy during the festivities:

- Showcase of Student Work
- Student Performances
- Musical Performance by the Five UC Principals (the highlight of every Friendraiser!)
- Student Art Show and Sales
- Demonstrations and Interactive Activities
- Games and Activity Booths
- Food Sales
- Display of Teacher Wish Lists
- Honor-a-Teacher Recognition

### EdUCate! Grants Award Ceremony

EdUCate! is planning an international theme for the food sales to benefit our schools. Attendance for the event is free, so come join EdUCate! in this wonderful celebration of our UC schools, staff, and students! Visit the EdUCate! website, [www.uc-educate.org](http://www.uc-educate.org), for more information.

## Did You Know?...

...The **UCPG** (University Community Planning Group) will hold an **election** Tuesday, March 14<sup>th</sup> to fill six seats on the Executive Committee. Voting will take place between 5:00 p.m. and 8:00 p.m. The University Community plan area consists of three districts, with each district having three residential and three business representatives. UCPG members may only vote for candidates in their district and membership classification (resident or business) i.e., District One residential members elect the District One residential representative while District One business members elect the District One business representative. South UC comprises District One and has one residential seat and one business seat open. There are two candidates for the resident seat— **Linda Colley**, current UCPG president, and **Dana May**. **Deryl Adderson** is running unopposed for the business seat. February 14<sup>th</sup> was the deadline for submitting membership applications. Only members in good standing will be permitted to vote. Voters should bring proof of residency (drivers license or utility bill showing resident's address if not shown on drivers license).

...The \$7.9 million **La Jolla Village Drive** widening project was completed February 15<sup>th</sup>. The project includes additional traffic lanes eastbound and westbound between I-5 and UCSD, as well as new sidewalks and bike lanes, improved landscaping and drainage and improvements to the Gilman Drive bridge and ramps. The majority of the funding came from the North UC FBA (Facilities Benefit Assessment)...

...The **Airport Authority** is studying joint use of military installations, including **Miramar**. You can keep informed by checking the website:

[www.san.org/authority/assp/resources.asp](http://www.san.org/authority/assp/resources.asp). There you will find a calendar of events, archived reports, interactive maps and copies of newsletters...

... No date has been announced for the release of the EIR for the UC North South Corridor alternatives (Genesee widening/Regents Rd. Bridge, etc.) Word is it will be released this Spring.

## President's Perspective

Another political season is upon us! One of the purposes of the University City Community Association is to help our neighbors know the candidates and issues that might impact our community. The first election that will effect our community this year will be the race for the 50<sup>th</sup> congressional district seat, formerly held by Congressman Cunningham. The election will be held on the 2<sup>nd</sup> Tues. of April. The Association is sponsoring a Community Forum on Wednesday, Mar. 15<sup>th</sup> from 6:30 - 8:30 P.M. at the Standley Jr. High Auditorium. The leading candidates for this seat have been invited to share their views on the many concerns facing our country and community. The format for the evening will be:

1 - Two minutes for each candidate to present themselves and why they should be elected to office.

2 - One minute answers by each candidate to questions posed by the audience and presented by the Master of Ceremonies.

3 - Two minute wrap up statements by each candidate to end the evening.

Each person attending the forum will be given an index card and pencil to write out a question he or she might have for the candidates. Members of the Board of the Association will select the questions to be asked in order to avoid duplication. We hope that anyone who has a question will attend this gathering and get to know the candidates up close and personal.

Please join the Association by filling out the application in this newsletter so that we can continue to have projects and events that enhance and enrich our community!

Many thanks to those of you who have already joined or renewed your membership.

*Hugh Pates*

## Spotlight will Shine on UCHS Students March 18<sup>th</sup>

### Fashion Show Benefits Grad Nite

To break up the intensity of testing, college applications, and wondering "what will I do after high school," students from the senior class of 2006 are having some fun! On Saturday, March 18<sup>th</sup> at 7:00 P.M., they will hold a Senior Fashion Show in the UC High gymnasium where a diverse group of students, along with Principal Ernie Smith, will model clothes from some of their favorite local clothing stores. Most of the organizing is done by the students themselves led this year by seniors Danny Creagh, Anna Dembo, Sierra Papp and Alissa Wright. Participating stores include Clairemont Surf Shop, Charlotte Russe, Pacific Sun, Buffalo Breath, The Closet, After Hours Formal Wear, Sun Diego and more!

The Fashion Show is a fund raiser to help support UC High Grad Nite, which is an ambitious all-night event held at

the high school on the evening of the last day of school, with its emphasis on a "fun, safe and sober celebration". Grad Nite was established by concerned parents after statistics showed the night of high school graduation had the highest number of alcohol and drug related accidents and deaths than any other night of a high school student's life.

The public is welcome and encouraged to attend this upbeat and entertaining fashion show. Tickets range from \$6.00 for general seating; \$12.00 for VIP seating and \$15.00 for front row. Seating is limited and tickets will be sold on a first come first served basis. You may purchase tickets in advance from any of the UC High models or by emailing [CherylC@san.rr.com](mailto:CherylC@san.rr.com) or calling 858.587.1945. Tickets will also be sold at the door.

## Spreckels News Farmer's Market Coming Soon

Plans are currently under way for a certified Farmer's Market to be held at Spreckels parking lot on Saturday afternoons from 2:30 to 6:30 p.m. Everything from fresh produce, flowers, food products, food vendors and artisans will be selling their specialty items. Student groups will also be allowed to hold fundraisers at the Farmer's Market.

If you or someone you know, would like to have a booth at the Farmer's Market, contact Mike Echavarry at 619-593-9604. Spreckels not only hopes the Farmer's Market will raise additional funds for the school, but will add to the close community atmosphere of University City.

### **Mardi Gras & Silent Auction**

Mardi Gras Night & Silent Auction will be held on Saturday March 18, from 6 - 9 p.m. The event is FREE, and we only ask for \$5 donations from each family to cover some evening expenses. Food will be available for purchase. Enjoy dancing to the sounds of Radio Parties, delicious Mardi Gras and Mexican food, arts & crafts and games and browse the Silent Auction tables where you can bid on items including The VIP Limo Night, Weekend Getaways, Padre Game

packages or mystery restaurants.

The Silent Auction is Spreckels PTA's biggest fundraiser and helps directly fund the art instruction program at Spreckels. Sponsorships and auction bids will not only pay for art instruction costs and supplies, but will help pay for the nurse's aid, field trips, enrichment programs, assemblies and school supplies, since funds are increasingly depleted due to continuing budget cuts. If you would like to be a sponsor, make a donation or like more information, contact Jemma Samala at 858-774-3266.

### **Heath & Fitness Fair**

Spreckels PTA will be hosting a Health & Fitness Fair the evening of Thursday, April 6 from 6 - 8 p.m. in the school's auditorium. Heath and fitness professionals giving blood pressure checks to massages will be there, and can answer and help with any questions you have. The American Cancer Society will also provide a Mad Science assembly about the dangers of smoking. The Spring Book Fair will also be open that evening. For more information on the Health & Fitness Fair, contact Sherie Todd, 858-505-9290.
