Memorial Bench will Honor Pat Preston

Pat Preston, a community activist in U.C. who served on the Standley Recreation Council and Little League, as well as numerous other organizations like EDUCATE! and school PTA's, will be honored with a Little League Field dedication in her name on a bench. Pat's tragic and untimely death in an automobile accident in Mexico on October 9th, 2005 brought a blanket of sorrow to her family and to her many friends in University City, where she spent endless energy in activities improving the community. You can make a donation to help pay for the bench in Pat's name by sending a check made out to Standley Park Recreation Council (memo line with Pat Preston's name) and mailing it to Standley Park, 3585 Governor Drive, San Diego 92122. Put it to the attention of Sarah Anderson, Standley Rec Leader.

UC High Music Program Seeks eScrip Support

University City High School has a very dedicated group of musicians in the music program. Did you know that it costs over \$10,000 a year to run the program? Did you know that the SD City Schools has cut a huge portion of funding for this extra-curricular program? How are these budding musicians supposed to put their talents to work? You can help, and it won't cost you a cent! It's easy, simply log on to www.escrip.com and register.

What is eScrip? eScrip is a safe, hassle-free way for schools and groups that support children's programs to raise funds through everyday purchases made at eScrip merchants. Parents, teachers, friends, and families are encouraged to safely register their credit, debit, and grocery club cards as supporters with the eScrip program. Upon receipt of registration, a percentage of all purchases made at eScrip merchants will be given back to the designated school or group.

To support UCHS Music Boosters, be sure to enter the Foundation Group ID #500000397, then enter your Vons card, Macy's card, and credit/debit card numbers. Every time you shop at an eScrip merchant - like Vons, Big 5, Macy's, Carrows, Carls Jr., Baja Fresh, Pick-up Stix - and use your registered cards, a percentage of your

purchases will be sent directly to UCHS Music Boosters, and it costs you nothing!

Existing members: remember to update your Vons card by November 1. Just log onto www.escrip.com and click on "Yes, Renew." Each member can have up to three groups registered so be sure to update your group numbers now to include UCHS Music Boosters # 500000397. Even if you're not registered, shop at Vons now thru October 7 and every time shop you will receive a voucher for 10% of your purchase. Return those vouchers to Mr. Cummins at UC High with your child, or contact Mary Ann Klima for assistance to ensure your voucher credits go to the Music Boosters program. You can reach Mary Ann Klima at avalondreamer@hotmail.com or 858-455-1815.

Be sure to check out the UCHS Marching Band with their awesome Drum Line at the La Jolla Holiday Parade, and come see the Concert Band and Orchestra perform at the Spring concert on campus and see where your support is going. It will be music to your ears!

Thank you so much for your support of these talented musicians in your community.

Entertainment Book Sales Support UC Library

Entertainment books are available at the library again this year. These little coupon books have a zillion discounts and special offers for places to eat and things to do all around San Diego, and can save you some money! If you've never used one before, look through the sample copy at the circulation desk while you check out your books.

We realize many organizations sell these books as fundraising devices. If you buy your Entertainment Book from us, we can continue to help our UC library buy new books and DVDs and put on programs for the children.

Thanks for supporting your University Community Library!

To earn the "Life" rank in Boy Scouts, Sami Misleh, Troop 271, collected several boxes of school supplies, books, backpacks and an assortment of new and gently used sports equipment for the San Diego Center for Children. Accepting the donations from Sami is Program Director, Pamela Hansen.

President's Perspective...

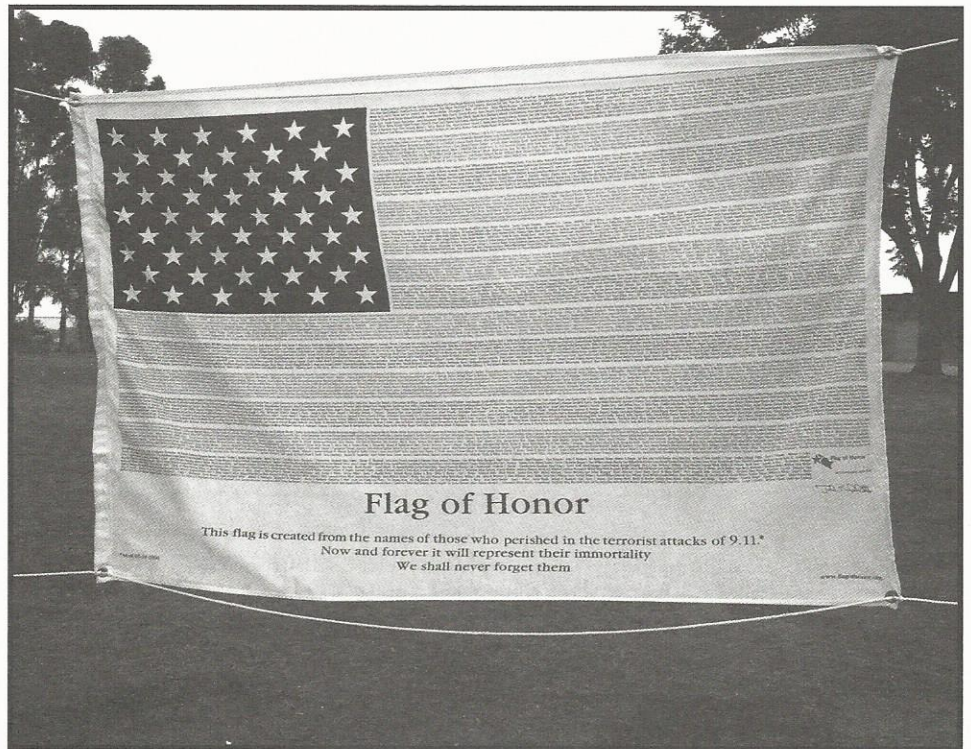

On Tuesday Nov. 7th, voters will go to the polls to make significant decisions about candidates running for political office and on propositions that will impact our future locally and statewide. It is a great privilege to participate in this event!

Also, on Wednesday, November 8th, the University City Community Association will elect its officers for 2007. All dues paying members are asked to participate in this election to be held at the University City Library from 6 - 7:30 P.M. The Association is different from the University City Planning Group, which is involved with advising the city on future building and traffic issues which impact our community. The Community Association plans and implements community wide activities and events such as educational forums about issues that impact the community, i.e., political information forums, the U.C. Clean Up Day, the Christmas Tree lighting event, cooperates with the Recreation Council for the 4th of July Celebration, and works on various projects to help keep U.C. a clean, safe and beautiful neighborhood.

The Association is eagerly seeking new members for its Board of Directors and invites community members interested in preserving and enhancing our neighborhood to join with us in this effort. Board Members contribute approximately 2 hours a month to the Board's activities. If you're interested in serving on the board or wish to become involved in UCCA, contact Hugh Pates at 858 - 453- 0645 or hpates@ucsd.edu or simply come to one of our meetings on the second Wednesday of the month at the U.C. Library 6 - 7:30 P.M.

I want to offer a thousand thanks to the more than 200 community members who have joined the Association this year and have so thoughtfully and generously supported the work of the Association! Hugh Pates, Association President
Correction: In the September President's Perspective, Lori Miller was incorrectly identified as Lori White. Lori Miller convened the Neighborhood meeting.

Celebrating its 13th year, the annual Taste of the Triangle - an evening of fun, food and a fanciful silent auction will be held on Tuesday, November 14th at 7 p.m. at the San Diego Marriott La Jolla. Once again, the Taste of the Triangle will showcase samples of gourmet cuisine from area restaurants, the ever-popular silent auction, an incredible opportunity drawing and student entertainment. The popular VIP event, for donors of \$250 or more, will be held immediately prior to the main event and will feature guest Dr. Carl A. Cohn, San Diego City Schools Superintendent. "The Taste of the Triangle is always a really fun evening for our community and a fantastic way to raise money that goes directly to our public schools," said Elizabeth Murray and Laurel Slater, Taste of the Triangle's co-chairs. "Please support our schools with either an auction donation or by attending the event - or both!"

EdUCate!, the non-profit University City Foundation for Public Schools is

dedicated to improving the quality of our children's education by providing supplemental resources to all five University City public schools - Curie, Doyle and Spreckels elementary schools, Standley Middle School and University City High School. The foundation has awarded more than \$600,000 in teacher-submitted grants during the last 13 years in the areas of literacy, math, science, technology and the arts. The majority of the funds are generated from the Taste of the Triangle, and the new ambitious Dollar-A-Day campaign.

Tickets to the Taste of the Triangle are \$40 in advance or \$50 at the door. Proceeds directly benefit the public schools of University City. Look for an invitation in the mail, or purchase tickets and donate on-line at our website www.uc-educate.org. E-mail us at Taste@uc-educate.org for more information. Every dollar makes a difference!
