Spring is in the air: UC Little League teams are introduced on Opening Day.

Centurion Alumni Group Reactivated

In the mid 1990's, a group of active parents founded the Centurion Alumni Foundation. It has been inactive for the last 5 years; but with the invaluable help of alumni parent Mary Scheffel, the nonprofit organization is being given new life. Those who have volunteered to serve on the board include Norma Smith, Barbara Prince, Elaine Hanson, John Hargrove, Mary Kay Hewitt, Josef Zoldan, and Mary Ernst. The first order of business will be to collect and organize a complete UCHS alumni list. "This will be a huge undertaking, but it will be invaluable to the high school, EdUCate!, and the UCHS Booster Club; and we hope it will be fun for our alumni, too!" notes Norma Smith (Secretary).

"The foundation is hoping to collect the data and communicate with alumni and parents electronically to save money, time, and trees", says CEO Elaine Hanson. "With the dramatic increase in school spirit and community involvement we've seen this year with football, basketball, soccer and other events, together with the drastic budget cuts of the last few years, we feel the time is right to reconnect with our alumni family."

Anyone who would be willing to serve on the board or who has address (especially email) information for alumni and family that they are allowed to share should contact Elaine Hanson (rehanson@san.rr.com).

Recreation Council Improves Local Parks, Recreational Choices

More people recreate in San Diego than in any other major city; our UC community is no exception. We take pride in our parks and value our recreational choices.

The UC Recreation Council plays a major role in decisions made here. The Council is a volunteer committee made up of community leaders who meet once a month to advise the Standley Park Recreation Center Staff and other community groups on issues relating to parks and recreational activities. The Rec Council is involved with youth and adult sports leagues and programs such as Maggie O' Farrell's excellent etiquette class for children, held at Roy's restaurant.

Special thanks are due these council members for all of their hard work. Carol and Gordon Parham are advocating improvements to University Park. Glenn Caston is working to rename Spreckels Ball Fields to Fort Field, in memory of Jerry Fort who spent countless hours working with children. Former Council chair Cathie Lester continues to serve on the council. She was instrumental in providing leadership and vision in the Standley Park playground renovation. Sandy Lippe is responsible for keeping the annual summer concert series going in spite of budget cuts.

Council meetings are open to the public. In the coming months the council will be focusing on our community's recreational priorities. Meetings are held on the 4th Tuesday of each month at 7:00 p.m. at the Standley Park and Recreation Center. Come, get involved, and, help make our community a better place to live.

President's Perspective

While watching the Holiday Parade this year, I had the opportunity to visit with a couple from Dallas, TX. This was their second consecutive year to visit San Diego, following their beloved Longhorns. They thoroughly enjoyed San Diego and mentioned how clean our city was in comparison to other cities they had visited over the years. I have heard the same comment about our cleanliness from several other out-of-state visitors. I believe it is a badge of honor to be so recognized by others outside our city.

I also think it is an honor to live in our community, which is a very clean and beautiful neighborhood. I have always felt that the citizens of our community take great pride in maintaining this environment. The UCCA has as one of its goals to maintain and enhance the cleanliness of our neighborhood through our graffiti committee, the neighborhood Enhancement Committee and our annual "Clean up U.C." Day.

This year our "Clean Up" Day is Saturday May 8th. It is our neighborhood "spring cleaning" time. We need an army of willing citizens to join with us in making this a thorough and successful event. Andy Freeburn

andyfreeburn@century21award.com, 858 - 552 -0635 and Jon Anderson, of the U. C. High Student Council - 858 - 453 - 1869, are the volunteer co-chairs for this special day. Please contact either of these very capable folks, and let them know how you can help. They will let you know when and where to gather to start the sprucing up process.

Also, since school started, I have heard concerns about the congestion around Genesee and Governor at the beginning and end of the school day. UCCA will be sponsoring an open forum on Wed. May 12th at 6:15 P.M. at the U.C. Library to directly address these concerns and focus on possible solutions to this problem. We hope that all of you who have expressed concerns about this situation will join with us in exploring possible resolutions to this problem.

Some of you have not yet had the opportunity to join the Association. Please consider joining together with us as we work together to have an ever more beautiful, clean and safe University City!

In addition, there will be raffle baskets with items such as Yu-Gi-Oh Duelers, Princess Palace or Wine & Cheese Aficionados. It's the perfect time to look for Mother's Day, Father's Day and Teacher Appreciation presents, as well as find some summer time activities.

UCHS Seeks Three Volunteers to Serve on Governance Team

The UCHS Site Governance Team will need 3 new elected parent volunteers for the 2004-5 committee. At least one parent will be needed from the VEEP community and two more from among any parents or interested general community members.

Serving on the Governance team with other parents, staff, students, and teachers involves attending 5 meetings a year on campus and participating in at least one of the team's standing committees (Budget, Technology, Staffing, Instructional Innovation, and School Climate). "It is a very small time commitment with huge rewards in terms of being involved with and educated about everything that goes on at UCHS," according to out-going Chair Elaine Hanson.

For information or to put your name on the spring ballot, please call Barbara Prince at the Principal's office (858-457-3040), or email or call Elaine Hanson (rehanson@san.rr.com or 858-453-1408). The mail-in ballot will be in the last Scroll of this school year and also in the summer mailing.
