UCCA Street Banner Design Contest

by Sandy Lippe

UCCA is sponsoring a street banner design contest for the next, new banners that will hang on Governor, Genesee, and Regents Road in January of 2012. Some of our banners have faded and need replacement. "U.C. Has It All!" is the theme and should be incorporated on the banner. Designs need to be submitted in jpg form on the computer. The judges will be looking for unique designs that depict what U.C. offers: canyon, schools, children in action, library, park, sports, shopping, flowers. Banners need to be seen from a distance and one or two designs make more of a statement than several items on the banner.

The banner design must be submitted online by September 30, 2011. For further contest rules and applications, please email Barbara Gellman or Sandy Lippe at bgellman or slippe@san.rr.com. A cash prize will be awarded to the winners.

THANK YOU SHERRI LIGHTNER FOR YOUR
 MUCH APPRECIATED EFFORTS! Thanks in large part to our

Tough Times – Everyone for themselves!

All of us are swimming in the same pool of economic uncertainty. Even if you're gainfully employed, the Sword of Damocles keeps you working longer and harder. In these times, you've got to look out for number one. In doing so, you may sacrifice that which elevates us as compassionate and communal creatures. Providing more than shelter, sustenance, and security, are a few neighbors who believe that no matter what is going on in the world, University City should continue to have a social structure which not only cultivates our spirit but our reason for being. Leading the way in the community are Janay Krueger, President of University City Planning Group, John Schindel, President of Standley Park Recreation Council, Cathy Romanas, Chairperson of UC Celebration, and me, Andy Freeburn, President of University City Community Association and Chairman of Summer Concerts. As more residents withdraw, these groups operate with less resource and must pare back community benefits. I again ask readers to attend one of the community meetings which are always posted on the front of this newsletter. Yes, times are tough and those of us with a purpose for University City are tougher. However, we are human and we can't do it alone. Now IS the time for you to assist your neighborhood and help make the difference that separates everyone from themselves because it's usually a lonely world when you're always looking out for number one.

*Sincerely, Andy Freeburn President,
 University City Community Association*

PROPERTY TAX INCREASE FOR SOUTH U.C. RESIDENTS? (Is it worth it to you...or just ignore it?)

By Barry Bernstein, UCCA Vice President

In order to improve our now very dilapidated, distressed, and weed-filled medians, (north from 52 on Genesee and Regents Road), a remedy is being suggested that would mean an increase in your yearly property tax bill. The city-approved-process is called Maintenance Assessment District (MAD). The amount of increase would be based on residents' choice of stamped concrete, approximately \$200. 00 for each residence paid over five years or for landscaped medians upwards to \$400.00 for each residence paid out for specified years. Presumably these assessments, as part of your total yearly property tax bill, will be tax deductible. I will be at the UCCA booth at our U.C. 4th of July Celebration with more information, as well as asking you to fill out a brief survey regarding your support of this community beautification project. Be prepared to answer these questions:

1. Do you support the project?
 2. If you answered yes to the first question, please indicate your preference of median improvement.
 - A. stamped concrete to replace existing blacktop medians at approximately \$200.00; (See sample of the stamped concrete on Nobel Drive near 805.)
 - B. landscaped medians at approximately \$400.00. (See samples on Governor Drive across from U.C. Library.)
- As you know from previous information in our newsletter and other sources regarding our city's budget woes, there is little or no hope this project would be a high priority for for our city planners at this time. We, the South University City homeowners, businesses, and property owners must make a decision. Please feel free to contact me: Barry Bernstein, Email APDRFN@AOL.COM or call me at (858) 453-3713. I look forward to any question you may have. See you at Standley Park on the 4th of July. Thank you.

Attention
Article Submission deadline for the September 2011 Newsletter will be moved to August 15th, 4:00 pm. This will allow us to have the newsletter ready for an August 27 - 28 delivery.
 Thank you for your understanding.

Come visit us at our first appearance at the July 4th celebration in the park. Look for our new banner, stop by, say hi and make a planted pot.

The events listed below are open to ALL UC residents and their friends. These are free events where you get to meet your neighbors, and be a little nosey too. FREE neighborhood gatherings brought to you by the UC Garden Club. Cultivating our neighborhood.

Coffee in the Garden, July 10th, 10-noon, 4102 Raya Way, 92122. Come and enjoy some home made baked goods, fresh coffee and tea at Gail and Fred Shatsky's house. This yard features a split level backyard, artificial grass, raised garden beds and fruit trees.

Wine in the Garden! August 19th, Friday 6-8pm (north Clairemont) Krista's House 4167 Cole Way, S.D. 92117

Krista has offered up her garden to host our first wine in the garden event. Come and enjoy a sunset view overlooking San Clemente Canyon on her oversized canyon lot. We will be serving, wine, cheese and bread for this special evening event. She will have plant cuttings for sale.

Want to Make a Difference in the Life of a Child in University City? Doyle Elementary is looking for reading tutors to work with elementary students who have been identified by their teachers as needing help. Once you are trained you will tutor about an hour and a half per week working with the same students each week. Tutoring times are during the school day.

TRAINING INFO: Sept. 14, 9:30am-11:30am, Scripps Well Being Clinic, UTC-4305 La Jolla Village Dr. above Cozymel's Restaurant, (858) 292-3682; Sept. 15, 9:00am-11:00am, San Diego County Office of Education, 6401 Linda Vista Rd., Room 301, San Diego, CA 92111, (858) 292-3682.

Additional training opportunities will be added closer to September.

Those attending Coffee in the Garden at Mary Kay and Roger's house on Sunday, June 12th, found a delightful yard drenched in colorful blooming plants. The newly redone pool and spa offered an elegant background and delightful focal point. Fresh coffee and pastries were served and as a special treat, direct from her own tree, Mary Kay's freshly squeezed orange juice was also available. These Coffees in the Garden are gaining in popularity as each month passes.

Kudos to all those Garden Club members who make this event a reality!

Some Interesting Information

from Linda Flach Corl

In response to the article, “Are You Curbing Your Dog?” by Angela Neste. I too thought people were not cleaning up after their dogs, and given the area, this was most unusual. Although nothing is ever for sure, the fecal matter on the west side sidewalk of Gullstrand is most similar to what is on the ‘coyote’ path that runs through the canyon and often has bits of orange/red ‘berries’. It is also often seen where the coyotes are known to come out of the canyon and brush and onto the sidewalk. Perhaps, there is an occasional one or two that are from dogs, but being a dog owner in this neighborhood, I would find that unlikely. Other dog walkers have also asked me if I had noticed how many coyote droppings there had been. However, they haven’t been as active lately.

To University City Neighbors:

An example of a growing UC problem occurred on a recent Monday AM trash-day. A bevy of loud crow activity beckoned me outside where the sky was filled with screaming crows, hovering around a dead bird, being devoured by a stray dog in the street. What caught my eye immediately was an overload of trash cans at my neighbor’s house on Weller, a UCSD student rental. An enormous number of eggs—raw and cooked—were broken and distributed on driveways, sidewalks, rooftops and the grass of surrounding neighbor property. Adding to the mess were hundreds of partially empty fast-food boxes blowing everywhere!

Besides UC being disrupted by careless students and lax landlords, there are significant health issues to consider. Dead birds, especially crows, are known to carry West Nile Virus, easily transmitted to humans for whom it is also deadly! Second, egg shells and eggs (uncooked or partially cooked) are notorious for Salmonella bacterium—another Public Health reportable disease—a known cause of food poisoning and severe illness. Third, stray dogs, carriers of diseases such as rabies, that prowl neighborhood property—this one nearly came in my front door!

On this occasion, I found the best recourse was to contact the home-owner, whose cell phone number was available. However, cases of code violation should be reported to appropriate city officials. Contacts by phone or email include: Trash and Environment (619) 236-4250, (858) 694-7000. Reports to the SD Public Health or Environmental Health Department are required; Environmental Health (800) 253-9933, and www.sandiego.gov/nccd

Standley Middle School Message

from Principal Lyon

On Tuesday, May 24th, one of our Standley students was hit by a car while crossing the intersection of Governor and Genesee. Thankfully, although he has many bumps and bruises and a head contusion he has no broken bones and expects to be back at school on Friday. Parents, please take this opportunity to speak with your child about crossing intersections safely, paying attention to the lights and crossing lights, and staying in the crosswalk. Please also speak with them about not jay walking.

Youth Quintet Performs at UC Library

by Diana Lee

On the evening of June 7th, the University Community Library was aglow with the sound of music. It is not uncommon for local bands to perform at the UC library; however, this performance was special because it consisted of five young musicians ages 12 and 13. The "Youth Quintet" - Darcy, David, Emi, Koroush, & Sloan, - entertained the community with a selection of classical favorites from Handel, Ravel, and Mozart.

Under their own initiative, the five Standley Middle School students met at someone's house to have fun while playing music. At first it was just for fun; but then they decided to showcase their talent by performing in public. The supportive staff and appreciative audience at the UC Library proved to be the perfect venue. The Youth Quintet's debut performance was attended by family, friends, members of the community, and educators from UCSD, Mesa College, and Doyle Elementary. Professional pianists John Mark Harris says, "It is so great to see such self-motivated, community-oriented artistic work."

Great job guys & gals, and keep up the good work!

Thalia Murray Scholarship Awarded

Bruce Murray awarding this year's Thalia Murray Scholarship to UCHS Senior Juliet Nussbaum. Bruce and his brother started the scholarship to honor their mother's memory. Thalia Murray taught for 20 years, 17 of them at Marcy Elementary on Streseman. Juliet plans to attend UC Berkeley, and the \$2000 awards will help her realize her dream of wanting to help others. She will study Public Health at Cal. Her goal is to become a physician and to practice through the Peace Corps or Doctors without Borders to provide quality health care where it is least available.

FIRST ROBOTICS TEAM

By Mia Sheperd

FIRST Tech Challenge team is about more than building robots, and competing at tournaments - it is a journey to a destination through trial and error, success and failure, with challenging new technology and obstacles to navigate where no road maps are provided. **FIRST** robotics competes for robot performance as well as specialization awards to teams. This year another category was added to the awards, the Compass Award. This award focuses on the mentors rather than the team. Each team can make a one minute maximum video describing how their mentor is unique. Team Einstein's Daughters, as well as brother team, EMP nominated John and Marion Brooks for the award. Because the teams are so closely related, they combined the rule of one mentor per team to two teams nominating to mentors. John and Marion have proven their abilities as exceptional mentors through the many years and time they have spent guiding the two teams to success. Not to mention their willingness to use their home as a practice field. John and Marion have been active members in the **FIRST** community ever since their oldest son Jeb Brooks began robotics in 2002.

This year's judges saw the motivation and encouragement John and Marion has given the teams, selecting them as the winners of the Compass Award. I would like to formally congratulate these two inspiring people. Thank you for everything.

Marion was PTA president of Curie Elementary for a couple of years and is still involved in doing good for the community.

Jacobs School Undergraduate Scholar

by Marge Lorang

Although the most competitive high school students apply to UCSD, many ultimately choose to attend other universities because they are offered better financial incentives. In order for the Jacobs School to attract and enroll the most promising future engineers, we offer highly competitive financial packages. The Jacobs School Undergraduate Scholar program provides outstanding incoming freshman with full tuition, fees, and room and board for four years - supporting our tradition of excellent students who become successful alumni and the next generation of technology leaders.

UC resident and UCHS student Joshua Wang is a recipient of the above scholarship. It covers tuition plus all room and board - about \$25K per year for each of his four years!! And Joshua graduated in three years with a 4.8 GPA!

Letter to the Community from Standley Center Director

Dear Residents of University City,

It is with mixed emotions I share with you that I will no longer be serving you as the Center Director at Standley Park and Recreation Center. I have accepted a promotion working as an Area Manager for the Carmel Valley Community. I feel so honored to have served your families over the last eight years. This community has been so welcoming and embracing of

the activities and events we provide at the center. It has been a pleasure meeting and getting to know many of you in this community. You have made this center the hub of south UC and that is what has made working here so special.

I appreciate all of the support you have shown me and the Center throughout the years, whether it be for personal achievements, potential budget cuts or a cry for volunteers to

help at events. I will miss this Center, the staff, volunteers and community dearly. While this is farewell, this will not be the last you see me. You will catch me at the 30th Anniversary Banana Split and Movie in the Park for sure, so I hope to see each and every one of you there celebrating this long lived community tradition. With Thanks and Gratitude,
Sarah Erazo

**Upcoming Events at
University City United Church**

Save the Date! UCUC Organ Concert, September 11, 2011 at 4:00 p.m. For the past three years, UCUC has worked hard to raise money for their church organ. Many of you came in 2008 to the 60’s Celebration concert, in 2009 you experienced A night on Broadway, and in 2010 took the Sentimental Journey of music through the decades with us. This fall, we invite you to come and hear the fruits of our fundraising concerts. Mark your calendars for the afternoon of September 11, 2011, the date that you will have the opportunity to experience the big sound of the new organ. This 4:00 p.m. concert, on the tenth anniversary of 9/11, will display the amazing capabilities of the state-of-the-art Allen Q345 digital instrument and will feature a selection of patriotic, classical, religious and secular music. The concert is free and refreshments will be served afterwards.

“God is Still Speaking” 5:11 Contemporary Worship Gathering Featuring Singer/Songwriter Jack Brown
Saturday Afternoon, July 23 at 5:11 p.m. in the Church Fellowship Hall. He will be performing several of his original award-winning compositions which have influences from folk, blues, jazz, country, and pops—there will be something for all to enjoy! This event is free. Child care is provided, and refreshments will be served afterwards.

M.O.M. “Military Outreach Ministries” Program
This will be an opportunity for the UCUC Congregation and friends in the community to provide support to our U.S. military mothers and wives. Every Sunday during the month of August, UCUC will collect donations of baby formula, baby food and diapers for new military mothers. Those wishing to contribute may call the church at 858-453-3444 for details or you are welcome to bring donations to the 10:00 a.m. Sunday church services. For more information call 858-453-3444 or visit us online at ucuc.org. University City United Church 2877 Governor Drive San Diego, CA 92122

Intensive Italian Summer Classes

Are you planning to travel to Italy soon? This two weeks Intensive Italian Class is design for you. During the course students will learn to introduce themselves, greeting others formally and informally, ask for information and directions, order a cappuccino in Piazza di Spagna (Rome) and a three-course dinner at Cipriani in Venice.
August 1-August 12, 2011, & August 15 - August 26, 2011
Italian Beginner I Monday through Friday (except Tuesday) from 1:30-3:00 pm Cost: \$160.00/\$135.00 (SENIOR 55+) Minimum of 6 required

Intensive Italian Summer Class (Beginner II- Intermediate I)
Are you tired to study the Italian Grammar from your book and would like to learn Italian while having fun? I have a good news, this class is designed for you!
Have fun practicing numbers with “Tombola”, the Italian Bingo and learn the classic Italian songs while you are practicing articles, adjectives and verbs. Enlarge your Italian vocabularies playing “La Tombola Illustrata” and refine your conversation skills.
August 2 through August 23, 2011
Beginner II and Intermediate I students are welcome
Tuesday from 1:30-3:00 pm Cost: 4 wks @ \$90.00/\$72.00 (SENIOR 55+) Minimum of 6 people required.
