City Attorney Candidate Forum Draws Large Crowd

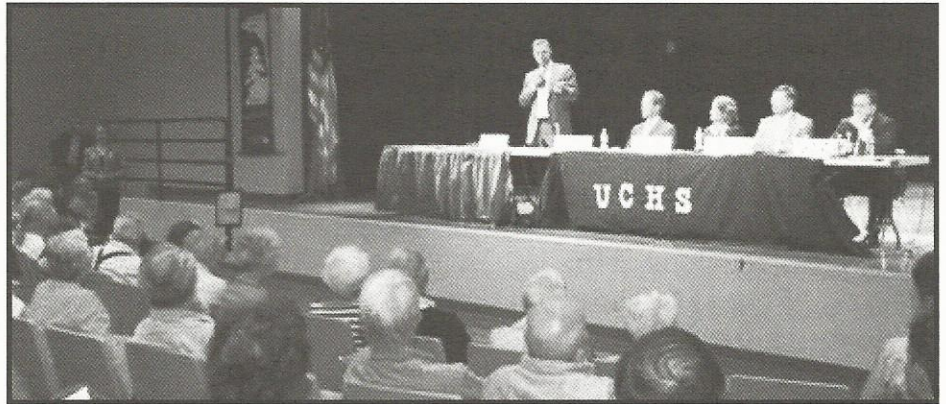

Photo by Don Balch, La Jolla Village News

The city attorney political forum on May 14th drew the largest audience of any event UCCA has put on at the high school. All five candidates showed up and each one scored some points with the interested voters who listened politely. The League of Women Voters moderator, Betty Weinberger, did an excellent job in fairly posing the questions to the candidates: incumbent Mike Aguirre, challengers Judge Jan Goldsmith, lawyer Amy Lepine, Councilman Brian Maienschein, and Council President Scott Peters. Two screeners, League member, June Greenwald, and UCCA's Hugh Pates, screened the questions written on 3 X5 cards. Emmett Greenwald was the timer.

A group of AP government students under the guidance of UCHS teacher Michele Fournier joined the adults in the audience to see democracy in action. The students seemed to enjoy the spirited answers to well written questions. Each candidate demonstrated a keen sense of humor that kept the evening dialog entertaining as well as academic. At one point in the evening, the tall UCCA banner fell after being taped to the wall next to the stage. Mr. Maienschein was in the middle of an important point in his answer and he quickly retorted: "Those must have been powerful words of mine."

Mr. Aguirre, as the incumbent, was challenged by each of the candidates, as were the sitting council members, Scott Peters and Brian Maienschein, for their parts in the pension debacle. However, the evening event was noteworthy for its civility on the part of the candidates and the members of the audience.

The June 3rd primary election should draw a large turnout. For more information on each candidate, you can log on to their websites: www.mikeaguirreforcityattorney.com, www.jangoldsmithforcityattorney.com, www.lepineforcityattorney.com, www.brianforsandiego.com, and www.petersforsandiego.com

President's Report

Andy Freeburn, President

University City Community Association

It's no coincidence there's always something going on in University City. The Standley Park Recreation Center and your Community Association, working with skeleton crews, provide University City with more activities than any other community in the county. In the last two months, residents participated in a Spring Festival, Free dumpster access, and a candidate's forum. In the coming months UC will be treated to a fantastic Fourth of July celebration, weekly summer concerts, and a banana split social!

I invite all our neighbors to enjoy these coming events and to consider involving themselves in some way to the initiation, planning or execution of similar functions. A commitment of time is essential and beyond our families and faith, what better commitment could one make?

The Community Association meets June 11 at 6:00 p.m. at the UC Library on Governor Drive. Come find out what's going on in the neighborhood. You may also contact me at Andy@adreamhomeandloan.com with your thoughts or concerns.

NOTICE

Flyers or handouts about businesses or non-UCCA events, activities, issues or organizations are neither inserted nor distributed with the UCCA newsletter.

Farewell Celebration

Roy Layug, Roen Layug (Roy's wife), Jane Reilly and employee Vini Smith.

Jane Reilly, the twenty-year owner of the first Postal Annex in the world located in the Marketplace on Governor Drive, had a farewell celebration on April 24th in front of Postal Annex. Jane, a University City resident and favorite among her loyal customers, will continue to work part time at the store while the new owner makes the transition. Jane and her husband Frank opened the store on October 1988. When Frank passed away after a long illness, Jane continued to work and her clients became her close friends. She has watched U.C. kids grow up and have children of their own. Congratulations, Jane. The corporate leaders of Postal Annex were in attendance at her party, as were many of her longtime customers. UCCA salutes a true U.C. caring businesswoman, Jane Reilly.

Mark Castiglione and Barbara Favors, San Diego Deputy Fire Marshalls, were recently visiting homes on Angell Avenue and other canyon rimmed homes to check for brush that might be cause for fire. Homes should have a 100 foot clearing between the house and the canyon.

Did You Know?...

...An easy way to determine which plastic items can go into your blue curbside recycling bins is to follow the advice of "Bonita Blue Bin" in the Environmental Services Dept. Winter 2007 Curbsider newsletter:

"Recycle all your plastic bottles, and jars, except those that contained hazardous materials (motor oil, antifreeze, pesticides, solvents, etc.). If your plastic item is not a bottle or a jar, it does not go in the blue bin. By following this rule, 90 percent of the plastic you put in your blue bin will be recyclable, and the rest will be pulled out for disposal." For additional information about recycling go to www.sandiego.gov/environmental-services/index.shtml or call (858) 694-7000

.....Recycle San Diego has moved to 8222 Ronson Road, San Diego, CA 92111. Hours are Monday-Friday 9:00a.m. – 5:00 p.m. Phone: The following e-waste items are accepted free: computer monitors, Plasma displays, TV's,(CRT,LCD), Projection TV's (rear, overhead, LCD, digital light, console), Laptops and PDA's, Computer towers, servers. Monitor/tower and TV/VCR combination units, Toner and ink cartridges (new or used), cell phones, pagers, personal music players (Walkman®, iPod®, etc.). Other electronic items are accepted for a fee. You can get more information by calling 1-866-525-6655 or checking their website, www.recycled.com..... At the May 13th UCPG meeting, Westfield presented their plans for renovating and expanding UTC to add 750,000 sq. feet of retail and 250 residential units and requested approval of the community plan amendment it would require. After a lengthy question and comment period by the board, members of the audience which included supporters and opponents, presented their questions and comments. The UCPG board voted to deny approval. Community planning groups are advisory only...

SUMMER CONCERTS LOOKING FOR A FEW GOOD MEN (AND WOMEN)

by: Andy Freeburn, President, UCCA

Your recreation council will be providing weekly Sunday concerts at Standley Park this summer. There is a dire need for "stage hands" to set up the stage at 1:00 p.m. and dismantle it at 7:00 p.m. To allow the "shows to go on", we are looking for 8 people committed to setting up the stage for 8 concerts on each Sunday from July 16th to August 24h. Compensation will be provided for those will-

ing to commit. All interested parties should inquire to: sjanderson@sandiego.gov or andy@adreamhomeandloan.com

UC High School Athletic Fields.

After ten years in the making (and suffering) the San Diego Unified School District and University City High School and Foundation have reached an agreement to renovate the upper athletic fields at the high school this summer. The renovation will include the installation of new water lines from the Robbins Street entrance gate to the lower athletic fields. In addition, a pump will be installed to boost the water pressure to provide sufficient pressure and flow to adequately water the upper fields (soccer, softball, field hockey, and baseball). Fields are going to be re-seeded and leveled. Sprinkler heads will be repaired or replaced and irrigation lines repaired, replaced or reinforced as necessary.

This work, which will provide safe and resilient surfaces for both students and community groups, will commence on Tuesday, June 17, 2008 and will not be completed until August 22, 2008. In order to give the grass and improvements the best chance of "taking root" and lasting through the years, we have to close the Upper Fields to all use, both community and school, beginning on the 17th of June until the 25th of August. As this is a combined effort between our Foundation, the school and the district, I am asking all community members to respect these restrictions this summer and to stay off of the upper playing fields for reasons during the summer season. We want to be able to provide good surfaces for youth and adult.

UCHS Grad Nite, by: Lynda Jackson

The University City High School Grad Nite Committee is busy preparing for Grad Nite to be held in the high school gymnasium on June 16. This all night alcohol/drug free event is designed to keep our graduating seniors and the community safe on a night that is potentially dangerous for them. This also creates a lifelong memorable experience for our 435 graduates.

This huge undertaking of transforming the school gymnasium into a Roman Coliseum is only possible with the effort of many people from the community. We provide many entertaining activities, food and prizes throughout the entire night. As you can imagine, the cost for such an event is very significant.

We are a non-profit organization who looks to the community for donations of money, food, prizes (gift cards or specialty items) and volunteer time. Volunteers are needed during the set-up on June 12 and 13 from 5:00-9:00pm and all day Saturday, June 14 from 8:30am and take-down on Saturday, June 21 from 8:30am. Even one hour of your time would be gratefully appreciated.

Your kind donations may be mailed to UCHS Grad Nite at 6949 Genesee Ave, San Diego, CA 92122. For questions, you may call 858-273-1033 or email ejackson@san.rr.com.

We would like to thank the following alumni, community members and businesses for their kind donations: Susanne Ball, "Your Best Friend in Real Estate" at 858-922-5127; Chipolte; Costa Verde Car Wash; Ditzler Chiropractic; Giovanni's Italian Restaurant; Natural History Museum; Royal Nails & Spa; San Diego Railroad Museum; Wild Rivers Water Park; Subway Sandwiches-Imperial Beach; Sammy's Woodfired Pizza; Roppongis; Jamba Juice; Clairemont Surf Shop; California Pizza Kitchen; Outback Steakhouse; Julie Medlock; Bruce & Elizabeth Murray; Terri & Steve Gray; Lex Jaques; Julie Hollyfield; Tania Gentry; Richard & Sandra Groebner; Bruce & Lucy Goodwin; Michael & Anne Bolton; Tedd & Karie Wright; Richard & Lynn McNeal; Ernest & Sandra Lippe; Roger & Mary Kay Hewitt; Louis & Sarah Katzman; Edward & Kathleen Bowles; William & Terri Buchanan; Reid & Shelly Arneson; Raymond & Linda Hrenko; Judith & Lawrence Levy, MP & CC Lester; Martin & Ann Graham; Eric & Patricia Wong; Diana Starnes; John & Marianne Miller; PD & Mary Croft; ME & Donald Fithian and Lisa Nyberg.

The success of Grad Nite is determined on the generous donations we receive. We want to thank you and show our grateful appreciation by recognizing all of our sponsors.

BiolBlitz booths held at Rose Canyon Park

The Cridlig children, Nicolas, age 7, Anna, age 12, and Alexandre, age 3 enjoyed visiting a snake at one of the BiolBlitz booths held at Rose Canyon Park on May 18th at the event that helps us learn about the number of plants and animals in a local area. How unique and exciting to see and touch desert snakes, a bluetongued Australian lizard, a boa constrictor and a real scorpion! The event was sponsored by Friends of Rose Canyon and Park and Recreation Department. In spite of the heat, there was a good turnout.

Another Successful UC Clean Up!

by: Andy Freeburn, President, UCCA

Almost 100 friends and neighbors participated in this year's University City community clean-up on Saturday, May 10. A stellar showing of more than 30 members of the Church of Jesus Christ and Latter Day Saints, located at the end of Governor Drive, really boosted the cleaning efforts.

Councilman Scott Peters and his team continued their many years of support and addressed the Genesee median, north of Governor Drive. With City resources dwindling, this year's clean up will make a necessary impact. Debris Box of San Diego donated a 40 foot roll off dumpster which was filled by 1:00. Many were grateful for the household electronics recycling by Recycle San Diego which took unwanted televisions, monitors, computers, and small appliances.

The efforts to sweep the curbs and cut back vegetation from our main portals were a tremendous task and our appreciation to all those that heard the calling. If you were unable to help, please consider keeping the street in front of your house cleared of overgrown weeds, leaves, and other debris. Keeping UC looking good is everyone's duty.
