

NEIGHBORHOOD WATCH SIMPLE TIPS

- Get to know your immediate neighbors and share contact information.
- Know where your main gas and water lines are. Know where your neighbors' main lines are, too.
- Keep the Problem Solver phone list in a handy location.
- Keep a log and document problems.
- When you report a problem to the San Diego Police Department, be sure to get a case or incident number.
- Should you have questions, contact your Neighborhood Watch Block Captain:
